

Plan Commission Meeting

Tuesday, June 13, 2017 @ 6pm

Meeting was called to order by Ken Blomberg. Chairperson Blomberg read a letter from Portage County Board, approving County Wireless telecommunication Amendments.

Chairperson Blomberg discussed the recommendation of a wireless tower be put up on the premises of the Town Hall property, by Country Wireless. Country Wireless will be sending a fax with a lease agreement to be reviewed.

Chairperson Blomberg discussed the possible use of the Town Roads for ATV/UTV route. More towns in the area have been opening their roads to ATV/UTV use. There would need to be regulations as far as speed limits and registered plates. Ken Blomberg will be in contact with Jan Nelson with the Saratoga Club, to possibly talk at next months meeting.

Chairperson Blomberg passed out Portage County Zoning Permits that were received. All had been approved by Portage County Planning and Zoning.
